Triple Case Pack
+Screen Protectors
for iPod® touch (4th Generation)

ISOUND-1593

User's Guide

Screen Protectors

INSTRUCTIONS FOR INSTALLATION:

1. Clean the LCD screen thoroughly with the included cleaning cloth.
2. Expose 1/2 inch of the Screen Protector of your choice. Take care not to touch the adhesive side.
3. Align the exposed section with the edges of the LCD screen. Make sure the Screen Protector has been placed straight.
4. Peel off the mask with the provided sticker after application is complete.
